Best Time of The Year is Christmas

Script

Yeah, I know, thou grumpus, there are some people who barely survive the Christmas season, and there are lots of suicides. But for most people, the Christmas season is the best time of the year. Why?

I have a few ideas, and I'd like to solicit yours.

1. The focus is on others. Except for little kids, most people spend the Christmas season thinking about doing nice things for other people. And "it's more blessed to give than to receive."

Here are suggestions from other members helping you improve this speech:

This is an excellent speech! Thank you for sharing. I really love your topic! Maybe you can pay more attention to your gesture. You can walk around a bit imagining that there's audience around you instead of standing still.

Great speech! I was not a big fan of Christmas, but after listening to your speech, I decide to try to be the same as other excited people during Christmas. Thanks!
